Summary of my recommendations:

This audit was carried out online and via email as recommended by SLCC during the Covid 19 pandemic and there was no face to face visit. In addition to the website, documents provided included the cash book and the asset register.

The comprehensive risk assessment carried out in the last financial year remains in place. A review of risk is planned but, due to restrictions imposed by the Covid 19 pandemic, has had to be delayed. I am advised that the revised risk assessment will include matters relating to Covid 19. In the light of this I have indicated 'yes' against Internal Control Objective C on page 3 of AGAR.

As was the case last year, all documents viewed were in very good order.
